(the “Final Order,” and, together with the Interim Order, the “Proposed Orders”), respectively:

(i) prohibiting the Utility Companies (as defined below) from altering, refusing, or discontinuing Utility Services (as defined below) on account of the commencement of these Chapter 11 Cases (as defined below) and/or any outstanding prepetition invoices; (ii) deeming the Debtors’ Utility Companies adequately assured of future payment; (iii) establishing procedures for resolving objections by Utility Companies, determining additional adequate assurance of future payment, and authorizing the Debtors to provide additional adequate assurance of future payment to their Utility Companies; and (iv) granting related relief. In support of this Motion, the Debtors rely upon and incorporate by reference the *Declaration of David Orlofsky in Support of Debtors’ Chapter 11 Petitions and First Day Motions* (the “First Day Declaration”),² filed contemporaneously herewith. In further support of this Motion, the Debtors respectfully represent as follows:

JURISDICTION AND VENUE

The United States Bankruptcy Court for the District of Delaware (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference* from the United States District Court for the District of Delaware, dated as of February 29, 2012. This matter is a core proceeding pursuant to 28 U.S.C. § 157(b) and, pursuant to Rule 9013-1(f) of the Local Rules of Bankruptcy Practice and Procedure of the United States Bankruptcy Court for the District of Delaware (the “Local Rules”), the Debtors consent to the entry of a final order by the Court in connection with this Motion to the extent that it is later

determined that the Court, absent the consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

2. Venue is proper in the Court pursuant to 28 U.S.C. §§ 1408 and 1409.

3. The statutory and legal predicates for the relief sought herein are sections 105(a) and 366 of title 11 of the United States Code, 11 U.S.C. §§ 101–1532 (the “Bankruptcy Code”), Rules 6003 and 6004 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and Local Rule 9013-1(m).

BACKGROUND

4. On November 3, 2024 (the “Petition Date”), each of the Debtors filed voluntary petitions under chapter 11 of the Bankruptcy Code (the “Chapter 11 Cases”) in the Court. The Debtors are authorized to operate their business and manage their properties as debtors and debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

5. No official committee has been appointed in these Chapter 11 Cases, and no request has been made for the appointment of a trustee or an examiner.

6. Additional information regarding the Debtors’ business, capital structure, and the circumstances leading to the filing of these Chapter 11 Cases is set forth in the First Day Declaration.

RELIEF REQUESTED

7. By this Motion, the Debtors respectfully request the entry of the Interim Order and the Final Order: (i) determining that the Debtors have provided each of the Utility Companies with adequate assurance of payment within the meaning of section 366 of the Bankruptcy Code, based on the Debtors’ establishment of a Utility Deposit Account in the amount of \$1.26 million, which equals approximately 50% of the Debtors’ estimated monthly cost of the Utility Services

subsequent to the Petition Date; (ii) approving the Debtors' proposed procedures whereby the Utility Companies may request additional or different adequate assurance; (iii) prohibiting the Utility Companies from altering, refusing, or discontinuing services on account of prepetition amounts outstanding or on account of any perceived inadequacy of the Debtors' proposed adequate assurance, including, but not limited to, the making of demands for security deposits or accelerated payment terms; (iv) determining that the Debtors are not required to provide any additional adequate assurance beyond what is provided by this Motion; and (v) granting related relief, including scheduling a Final Hearing for approval of the proposed adequate assurance and Adequate Assurance Procedures (each capitalized term as defined below) related thereto.

THE UTILITY COMPANIES AND UTILITY SERVICES

8. In connection with the operation of their businesses and management of their properties, the Debtors historically obtain internet, data, telephone, electricity, natural gas, water, and other similar services (collectively, the "Utility Services") from various utility companies (each a "Utility Company" and collectively, the "Utility Companies"). To assist the Debtors in managing payments owed to their numerous Utility Companies, certain of the Debtors contract with Capturis or ENGIE Insight Services, Inc. ("ENGIE," and, together with Capturis, the "Administrators"), as applicable, to administer utility invoices and process related payments. In the ordinary course of business, the Debtors pay the Administrators the amounts invoiced for certain Utility Services plus the respective Administrator fee of approximately \$5,000.00 for Capturis and \$15,000.00 for ENGIE per month. A nonexclusive list of the Utility Companies and their affiliates that provide Utility Services to the Debtors as of the Petition Date (the "Utility Service List") is attached hereto as Exhibit C.³

³ The Debtors have endeavored to identify all of the Utility Companies and list them on Exhibit C hereto. However, inadvertent omissions may have occurred, and the omission from Exhibit C hereto of any entity providing Utility

9. Uninterrupted Utility Services are essential to the Debtors' ongoing business operations and the overall success of these Chapter 11 Cases. As of the Petition Date, the Debtors' operations take place across numerous locations, including their corporate offices. These locations require the Utility Services to function. Section 366(a) of the Bankruptcy Code prevents utility companies from discontinuing, altering, or refusing service to a debtor during the first twenty (20) days of a bankruptcy case. However, a utility company has the option of terminating its services thirty (30) days from the petition date pursuant to section 366(c)(2) of the Bankruptcy Code if the debtor has not furnished adequate assurance of payment.⁴ Should any Utility Company refuse or discontinue its service, even for a brief period, the Debtors' business operations would be severely disrupted and such disruption would jeopardize the Debtors' ability to administer these Chapter 11 Cases. Disruption of Utility Services would severely impact the Debtors' ability to continue fulfilling their customers' needs. Further, such disruption would adversely affect employee relations, which, in turn, would negatively affect the Debtors' revenues. Accordingly, it is essential that the Utility Services continue uninterrupted during these Chapter 11 Cases.

Services to the Debtors shall not be construed as an admission, waiver, acknowledgement, or consent that section 366 of the Bankruptcy Code does not apply to such entity, and the Debtors reserve the right to assert that any such entity is required to continue to furnish services to the Debtors notwithstanding the filing of these Chapter 11 Cases. In addition, the Debtors reserve the right to assert that any of the entities now or hereafter included on the Utility Service List are not "utilities" within the meaning of section 366(a) of the Bankruptcy Code.

⁴ There is an apparent discrepancy between subsections (b) and (c) of section 366 of the Bankruptcy Code because these two subsections set forth different time periods during which a utility is prohibited from altering, refusing, or discontinuing utility service. Specifically, section 366(b) of the Bankruptcy Code allows a utility to alter, refuse, or discontinue service "if neither the trustee nor the debtor, within 20 days after the date of the order for relief, furnishes adequate assurance of payment," while section 366(c)(2) of the Bankruptcy Code allows a utility in "a case filed under chapter 11 . . . to alter, refuse or discontinue service" to a chapter 11 debtor "if during the 30-day period beginning on the date of the filing of the petition, the utility does not receive from the debtor or the trustee adequate assurance of payment for utility service..." (emphasis added).

Under the statutory construction canon *lex specialis derogat legi generali* ("specific language controls over general"), the language of section 366(c)(2) controls here because the Debtors filed a petition under chapter 11 of the Bankruptcy Code. See 3 Alan N. Resnick & Henry J. Sommer, *Collier on Bankruptcy* ¶ 366.03 (16th ed.) ("It is unclear how the 30-day period [in section 366(c)(2) of the Bankruptcy Code] meshes with the normal 20-day period in section 366(b). The better view is that, because section 366(c) is more specifically applicable to chapter 11 cases, the 30-day period, rather than the 20-day period in section 366(b), should apply.").

10. In general, the Debtors have a long and established history of consistent payments to their Utility Companies. On average, the Debtors pay approximately \$2.5 million each month for Utility Services. Based on historical averages, the Debtors estimate that their cost for Utility Services during the next thirty (30) days will be approximately \$2.5 million.

11. Further, pursuant to the Debtors' lease agreements, certain Utility Services are billed directly to the Debtors' landlords and passed through to the Debtors as part of the Debtors' lease payments. The Debtors intend to continue paying their landlords in the ordinary course postpetition and, thus, the Debtors do not seek relief by this Motion with respect to such Utility Services.

I. The Proposed Adequate Assurance

12. The Debtors intend to pay undisputed postpetition charges for the Utility Services when due in the ordinary course of business. Nonetheless, to provide adequate assurance of payment for future services to the Utility Companies as required under section 366 of the Bankruptcy Code, the Debtors propose to deposit a sum of \$1.26 million (the "Utility Deposit") into a newly created segregated account (the "Utility Deposit Account") within twenty (20) days of the Petition Date, to be maintained during the pendency of these Chapter 11 Cases in the manner provided for herein and in the Proposed Orders. The Utility Deposit represents approximately 50% of the Debtors' estimated monthly cost of the Utility Services subsequent to the Petition Date (the "Adequate Assurance Deposit"). The amount allocated for, and payable to, each Utility Company shall be equal to the amount set forth on the Utility Service List or as otherwise agreed upon.

13. In the event that the Debtors close a utility services account with any of the Utility Companies, the Debtors request authority to reduce the Utility Deposit Account and amend the Utility Service List upon termination of Utility Services from a particular Utility Company in an

amount equal to or less than the amount allocated to such Utility Company in the Utility Deposit Account; provided, however, that the Debtors either (i) obtain the affected Utility Company's consent to reduce the Utility Deposit; or (ii) file a notice with the Court and serve upon the affected Utility Company a notice of the Debtors' intent to reduce the Utility Deposit within fourteen (14) days thereof and receiving no response thereto.⁵

14. The portion of the Adequate Assurance Deposit attributable to each Utility Company shall be returned to the Debtors upon the earlier of: (i) reconciliation and payment by the Debtors of the relevant Utility Company's final invoice in accordance with applicable non-bankruptcy law following the Debtors' termination of the Utility Services from such Utility Company, (ii) the closing of a sale of substantially all of the Debtors' assets, (iii) the effective date of a chapter 11 plan for the Debtors, or (iv) such other time as these Chapter 11 Cases may be closed.

15. The Debtors submit that the Adequate Assurance Deposit, in conjunction with the Debtors' ability to pay for future Utility Services in the ordinary course of business (collectively, the "Proposed Adequate Assurance"), constitutes sufficient adequate assurance to the Utility Companies in satisfaction of section 366 of the Bankruptcy Code. If any Utility Company believes additional assurance is required, it may request such additional assurance pursuant to the procedures described below.

II. The Proposed Adequate Assurance Procedures

16. The Debtors submit that the Proposed Adequate Assurance constitutes sufficient adequate assurance to the Utility Companies. However, the Debtors recognize that the Utility

⁵ In the event that the Debtors have multiple utility services accounts with a particular Utility Company, the Debtors' reduction of the Utility Deposit upon termination of Utility Services from a particular Utility Company will be based on those utility services accounts actually terminated.

Companies have the right to evaluate the Proposed Adequate Assurance on a case-by-case basis.

As a result, the Debtors propose to establish the procedures below (the “Adequate Assurance Procedures”), pursuant to which a Utility Company may request additional adequate assurance of payment (an “Additional Assurance Request”) if it believes additional assurance is required.

- a. The Debtors will serve copies of the Proposed Orders as required by the Bankruptcy Rules and Local Rules on all Utility Companies identified on the Utility Service List. For the avoidance of doubt, this Motion will be served with the Interim Order. In the event that any Utility Company has been omitted from the Utility Service List, the Debtors shall supplement this list and shall promptly serve copies of this Motion, the Interim Order, and the Final Order, as applicable, on such Utility Company upon learning of such omission.
- b. Any Utility Company that believes it requires additional adequate assurance must serve an Additional Assurance Request via mail or email upon: (i) proposed co-counsel for the Debtors, (x) Willkie Farr & Gallagher LLP, 787 Seventh Avenue, New York, NY 10019, Attn: Betsy L. Feldman, Esq. (bfeldman@willkie.com) and Joseph R. Brandt, Esq. (jbrandt@willkie.com) and (y) Young Conaway Stargatt & Taylor, LLP, Rodney Square, 1000 North King Street, Wilmington, DE 19801, Attn: Allison S. Mielke, Esq. (amielke@ycst.com) and Kristin L. McElroy, Esq. (kmcelroy@ycst.com); and (ii) counsel to any official committee appointed in these Chapter 11 Cases.
- c. Any Additional Assurance Request must (i) be made in writing; (ii) set forth all location(s) for which Utility Services are provided and the relevant account number(s); (iii) set forth the numerical amount that the Utility Company believes equals 50% of the Debtors’ estimated monthly utility payments to the Utility Company subsequent to the Petition Date; and (iv) include a proposal for what would constitute adequate assurance of future payment from the Debtors, along with an explanation of (x) why such proposal is reasonable and (y) the basis of the Utility Company’s proposed adequate assurance requirement under section 366(c)(2) of the Bankruptcy Code.
- d. Upon the Debtors’ receipt of any Additional Assurance Request at the addresses set forth above, the Debtors shall promptly negotiate with such Utility Company to resolve such Utility Company’s Additional Assurance Request.
- e. The Debtors may, in their discretion, resolve any Additional Assurance Request by mutual agreement with the Utility Company and without further order of the Court and may, in connection with any such agreement, in their

discretion, provide a Utility Company with additional adequate assurance of future payment, including, but not limited to, cash deposits, prepayments, and/or other forms of security, without further order of the Court if the Debtors believe such additional assurance is reasonable.

- f. If the Debtors determine that the Additional Assurance Request is not reasonable and are not able to reach an alternative resolution with the Utility Company, then the Debtors shall, upon reasonable notice, calendar the matter (the “Determination Hearing”) for the next omnibus hearing date, unless the Court orders otherwise, to determine the adequacy of assurance of payment pursuant to section 366(c)(3) of the Bankruptcy Code.
- g. Until such time that the Final Order is entered by the Court, any Utility Company that does not make an Additional Assurance Request in accordance with the Adequate Assurance Procedures shall be prohibited from altering, refusing, or discontinuing Utility Services to the Debtors, subject to such Utility Company’s right to seek modification of the Proposed Adequate Assurance under section 366(c)(3) of the Bankruptcy Code, unless otherwise ordered by the Court.
- h. Pending resolution of an Additional Assurance Request, at any such Determination Hearing or otherwise, and entry of a final, non-appealable order thereon finding that the Utility Company is not adequately assured of future payment, such Utility Company shall be prohibited from discontinuing, altering, or refusing service to, or otherwise discriminating against, the Debtors on account of the commencement of these Chapter 11 Cases, any unpaid charges for prepetition services, or any objections to the Proposed Adequate Assurance. Any Utility Company that fails to comply with the Adequate Assurance Procedures shall be bound by any order entered by the Court granting this Motion.

17. The Debtors request that any security deposits that were in place prior to the Petition Date shall remain in place and shall continue to be held by those Utility Companies holding the same, except upon either (i) written agreement(s) between the Debtors and a Utility Company without further order of the Court, or (ii) further order(s) of the Court.

18. The Debtors also request authorization to adjust periodically the amount in the Utility Deposit Account to reflect the following factors: (i) the termination of Utility Services by the Debtors; and (ii) the entry into any agreements between the Debtors and the applicable Utility Companies.

III. The Final Hearing and Subsequent Modifications to the Utility Service List

19. In addition to the establishment of the aforementioned Adequate Assurance Procedures, the Debtors request a final hearing (the “Final Hearing”) on this Motion to be held within thirty (30) days following the Petition Date to ensure that, if a Utility Company argues it can unilaterally refuse service to the Debtors on the thirty-first (31st) day after the Petition Date, the Debtors will have the opportunity, to the extent necessary, to request that the Court make such modifications to the Adequate Assurance Procedures in time to avoid any potential termination of the Utility Services.

20. Moreover, it is possible that, despite the Debtors’ efforts, certain Utility Companies have not yet been identified by the Debtors or included on the Utility Service List (each, an “Additional Utility Company,” and collectively, the “Additional Utility Companies”). To the extent that the Debtors identify Additional Utility Companies, the Debtors seek authority to amend or supplement the Utility Service List. Thus, promptly upon the discovery of an Additional Utility Company, the Debtors will increase the Utility Deposit by an amount equal to approximately 50% of the Debtors’ estimated monthly utility expense for each Additional Utility Company identified subsequent to the Petition Date. In addition, the Debtors request that the Additional Utility Companies be subject to the terms of the Proposed Orders (including the Adequate Assurance Procedures) once entered by the Court, regardless of when such Utility Company is added to the Utility Service List.

21. The Debtors submit that their proposed method of furnishing adequate assurance of payment for postpetition Utility Services is not prejudicial to the rights of any Utility Company and is in the best interests of the Debtors’ estates and creditors. Because uninterrupted Utility Services are vital to the success of these Chapter 11 Cases, the relief requested herein is necessary and in the best interests of the Debtors’ estates and creditors. Such relief provides the Utility

Companies and the Debtors with an orderly and fair procedure for determining adequate assurance of payment.

22. For the foregoing reasons, the relief requested herein is appropriate and in the best interests of the Debtors' estates and their creditors.

BASIS FOR RELIEF REQUESTED

23. Section 366(a) of the Bankruptcy Code protects a debtor against the immediate termination of utility services after it files for bankruptcy. 11 U.S.C. § 366(a). Section 366(c) of the Bankruptcy Code (i) defines the forms of adequate assurance of payment that a debtor may employ in providing adequate assurance of payment to include cash deposits, letters of credit, certificates of deposit, surety bonds, prepayments of utility consumption, or another form of security that is mutually agreed on between the utility company and the debtor; (ii) excludes from the definition of adequate assurance the availability of an administrative expense claim; and (iii) provides that a court may not consider certain facts in determining the amount of assurance that is adequate. 11 U.S.C. §§ 366(c)(1)(A)–(B), (c)(3)(B).

24. Although section 366 of the Bankruptcy Code does clarify what forms adequate assurance of payment may take and what factors the court should consider when determining whether such assurance is adequate, the Bankruptcy Code still requires courts to determine what amount, if any, is necessary to provide adequate assurance of payment. Congress did not set a minimum adequate assurance amount, but rather vested discretion in the courts to determine the appropriate level of adequate assurance required in each case. Accordingly, section 366 of the Bankruptcy Code does not give utility companies a blank check or the right to extract from debtors an unlimited amount of adequate assurance. Under section 366(c) of the Bankruptcy Code, there

is nothing to prevent a court from deciding that, on the facts of the case before it, the amount required of a debtor to adequately assure payment to utility companies is zero or nominal.

25. In addition, section 366(b) requires only that a utility's assurance of payment be "adequate." Courts have long recognized that adequate assurance of performance does not constitute an absolute guarantee of a debtor's ability to pay. See, e.g., In re Caldor, Inc.-NY, 199 B.R. 1, 3 (S.D.N.Y. 1996) ("Section 366(b) requires [a] [b]ankruptcy [c]ourt to determine whether the circumstances are sufficient to provide a utility with 'adequate assurance' of payment. The statute does not require an 'absolute guarantee of payment.'"), aff'd sub nom. Virginia Elec. & Power Co. v. Caldor, Inc.- NY, 117 F.3d 646 (2d Cir. 1997); In re New Rochelle Tel. Corp., 397 B.R. 633, 639 (Bankr. E.D.N.Y. 2008); In re Steinebach, 303 B.R. 634, 641 (Bankr. D. Ariz. 2004) ("Adequate assurance of payment is not, however, absolute assurance . . . [A]ll § 366(b) requires is that a utility be protected from an unreasonable risk of non-payment."); In re Adelphia Bus. Sols., 280 B.R. 63, 80 (Bankr. S.D.N.Y. 2002) ("In determining adequate assurance, a bankruptcy court is not required to give a utility company the equivalent of a guaranty of payment."); In re Penn Jersey Corp., 72 B.R. 981, 982 (Bankr. E.D. Pa. 1987), abrogated on other grounds in In re Lease-A-Fleet, Inc., 131 B.R. 945, 950 n.1 (Bankr. E.D. Pa. 1991) (stating that section 366(b) of the Bankruptcy Code "contemplates that a utility receive only such assurance of payment as is sufficient to protect its interests given the facts of the debtor's financial circumstances").

26. Furthermore, in this analysis, courts have recognized that "[i]n deciding what constitutes 'adequate assurance' in a given case, a bankruptcy court must 'focus upon the need of the utility for assurance, and . . . require that the debtor supply no more than that, since the debtor almost perforce has a conflicting need to conserve scarce financial resources.'" Virginia Elec. & Power Co., 117 F.3d at 650 (quoting Penn Jersey, 72 B.R. at 985); In re Adelphia Bus. Sols., 280

B.R. at 80 (“The requirement for ‘adequate assurance’ of payment, which, at least in this Circuit, need not necessarily be provided by deposit.”); see also In re Penn Cent. Transp. Co., 467 F.2d 100, 103–04 (3d Cir. 1972) (upholding lower court’s decision that no utility deposits were necessary where such deposits “would jeopardize the continuing operation of the [debtor] merely to give further security to suppliers who already are reasonably protected”); New Rochelle Tel. Corp., 397 B.R. at 639 (“[D]eciding what constitutes adequate assurance, a bankruptcy court must focus on the utility’s need for assurance with the debtor’s scarce financial resources.”).

27. Based upon the foregoing, the Debtors believe the Utility Companies have adequate assurance of payment even without recourse to the Adequate Assurance Deposit. The Debtors anticipate having sufficient resources to pay, and intend to pay, all valid postpetition obligations for Utility Services in a timely manner. In addition, the Debtors’ reliance on such Utility Services for not only the operation of their business, but also the preservation of the value of their assets, provides the Debtors with a powerful incentive to stay current on their utility obligations. These factors, which the Court may consider when determining the amount of any adequate assurance payments, justify finding that the Debtors are not required to make any additional adequate assurance payments in these Chapter 11 Cases. In light of the foregoing, the Debtors respectfully submit that the Proposed Adequate Assurance is more than sufficient to assure the Utility Companies of future payment. By offering the Proposed Adequate Assurance and the additional Adequate Assurance Procedures, the Debtors seek to implement an organized process that facilitates the determination of the amount of assurance of payment that is adequate.

28. In addition, this Court has the authority to grant the relief requested herein pursuant to section 105(a) of the Bankruptcy Code. Section 105(a) of the Bankruptcy Code provides that a

court “may issue any order, process or judgment that is necessary or appropriate to carry out the provisions of this title.” 11 U.S.C. § 105(a).

29. Absent the approval of the proposed procedures, the Utility Companies could discontinue service, without warning, thirty-one (31) days after the Petition Date, if they claim they have not yet received a “satisfactory” adequate assurance payment. The Debtors could then be forced to address numerous requests by the Utility Companies in an unorganized manner at a critical period in these Chapter 11 Cases when their efforts should be focused elsewhere, such as on maximizing value for all of their stakeholders. The orderly process contemplated by the additional Adequate Assurance Procedures is necessary for a smooth transition by the Debtors into chapter 11. Moreover, the proposed procedures will ensure that all parties act in good faith by establishing a fair process. Because the Adequate Assurance Procedures are reasonable and in accordance with the purposes of section 366 of the Bankruptcy Code, the Court should grant the relief requested herein.

30. In addition, this Court has the authority to grant the relief requested herein pursuant to section 105(a) of the Bankruptcy Code. Section 105(a) of the Bankruptcy Code provides that a court “may issue any order, process or judgment that is necessary or appropriate to carry out the provisions of this title.” 11 U.S.C. § 105(a).

SATISFACTION OF BANKRUPTCY RULE 6003

31. Pursuant to Bankruptcy Rule 6003, the Court may grant relief within twenty-one (21) days after the filing of the petition regarding a motion to “use, sell, lease, or otherwise incur an obligation regarding property of the estate” only if such relief is necessary to avoid immediate and irreparable harm. Fed. R. Bankr. P. 6003(b). Immediate and irreparable harm exists where the absence of relief would impair a debtor’s ability to reorganize or threaten

the debtor's future as a going concern. See In re Ames Dep't Stores, Inc., 115 B.R. 34, 36 n.2 (Bankr. S.D.N.Y. 1990) (discussing the elements of "immediate and irreparable harm" in relation to Bankruptcy Rule 4001).

32. As described herein and in the First Day Declaration, the Debtors will suffer immediate and irreparable harm without authorization for the relief requested herein. Accordingly, Bankruptcy Rule 6003 has been satisfied and the relief requested herein should be granted.

WAIVER OF BANKRUPTCY RULES 6004(a) and (h)

33. The Debtors also request that the Court waive the stay imposed by Bankruptcy Rule 6004(h), which provides that "[a]n order authorizing the use, sale, or lease of property other than cash collateral is stayed until the expiration of 14 days after entry of the order, unless the court orders otherwise." Fed. R. Bankr. P. 6004(h). As described above, the relief that the Debtors seek in this Motion is necessary for the Debtors to operate their businesses without interruption and to preserve value for their estates. Accordingly, the Debtors respectfully request that the Court waive the fourteen (14) day stay imposed by Bankruptcy Rule 6004(h), as the exigent nature of the relief sought herein justifies immediate relief.

34. To implement the foregoing immediately, the Debtors respectfully request a waiver of the notice requirements of Bankruptcy Rule 6004(a) to the extent they are deemed to apply.

NOTICE

35. Notice of this Motion has been or will be provided to: (i) the Office of the United States Trustee for the District of Delaware; (ii) the United States Attorney's Office for the District of Delaware; (iii) those creditors holding the fifty (50) largest unsecured claims against the Debtors' estates; (iv) counsel to the ABL Lenders; (v) counsel to the Ad Hoc Group of First Lien Lenders; (vi) counsel to the Second Lien Term Loan Lenders; (vii) counsel to the HoldCo Lenders;

(viii) counsel to the DIP Agent; (ix) counsel to the DIP Lenders; (x) the Internal Revenue Service; (xi) the Utility Companies; and (xii) the Administrators. The Debtors will serve copies of this Motion and an order entered in respect of this Motion as required by Local Rule 9013-1(m). In light of the nature of the relief requested herein, the Debtors submit that no other or further notice is necessary.

CONCLUSION

WHEREFORE, the Debtors respectfully request that the Court enter the Proposed Orders, granting the relief requested herein and such other and further relief as is just and proper.

3. The Debtors are authorized to pay, in accordance with their prepetition practices, all undisputed postpetition utility charges for all Utility Services rendered by the Utility Companies to the Debtors.

4. Any security deposits that were in place prior to the Petition Date shall remain in place and shall continue to be held by those Utility Companies holding the same, except upon either (i) written agreement(s) between the Debtors and a Utility Company without further order of this Court or (ii) further order(s) of this Court.

5. The Proposed Adequate Assurance is hereby approved on an interim basis and until such time as the Final Order is entered by this Court, the Utility Companies shall be prohibited from altering, refusing, or discontinuing Utility Services to the Debtors. The Debtors shall deposit cash in an amount equal to \$1.26 million, which represents the sum of approximately 50% of the Debtors' estimated monthly cost of the Utility Services subsequent to the Petition Date (the "Adequate Assurance Deposit"), into the Utility Deposit Account within twenty (20) days after the date of entry of this Interim Order; provided, however, that, the Debtors may reduce the Utility Deposit Account and amend the Utility Service List upon termination of Utility Services from a particular Utility Company in an amount equal to or less than the amount allocated to such Utility Company in the Utility Deposit Account; provided, further, that the Debtors either (i) obtain the affected Utility Company's consent to reduce the Utility Deposit; or (ii) file a notice with the Court and serve upon the affected Utility Company a notice of the Debtors' intent to reduce the Utility

Deposit within fourteen (14) days thereof and receiving no response thereto.³ If an objection is received, the Debtors shall attempt to resolve the objection with the Utility Company. If the objection is not resolved by the parties, the Debtors shall request a hearing before this Court at the next omnibus hearing date, or such other date that the Debtors and the Utility Company may agree. The portion of the Adequate Assurance Deposit attributable to each Utility Company shall be returned to the Debtors upon the earlier of: (i) reconciliation and payment by the Debtors of the relevant Utility Company's final invoice in accordance with applicable non-bankruptcy law following the Debtors' termination of the Utility Services from such Utility Company, (ii) the closing of the sale of substantially all of the Debtors' assets, (iii) the effective date of a chapter 11 plan for the Debtors, or (iv) such other time as these Chapter 11 Cases may be closed.

6. Subject to the Adequate Assurance Procedures, until such time as the Final Order is entered by this Court, all Utility Companies are prohibited from (i) discontinuing, altering, or refusing service to the Debtors on account of any prepetition amounts outstanding, (ii) discriminating against the Debtors, or (iii) requiring payment of a deposit or receipt of any other security for continued service as a result of the Debtors' bankruptcy filings or any outstanding prepetition invoices, other than as provided in the Motion.

7. The Adequate Assurance Procedures for determining requests for additional adequate assurance are approved as follows:

- a. The Debtors will serve copies of this Interim Order and the Final Order, as required by the Bankruptcy Rules and Local Rules on all Utility Companies identified on the Utility Service List. For the avoidance of doubt, the Motion will be served with this Interim Order. In the event that any Utility Company has been omitted from the Utility Service List, the Debtors shall supplement this list and shall promptly serve copies of the Motion, this

³ In the event that the Debtors have multiple utility services accounts with a particular Utility Company, the Debtors' reduction of the Utility Deposit upon termination of Utility Services from a particular Utility Company will be based on those utility services accounts actually terminated.

Interim Order, and the Final Order, as applicable, on such Utility Company upon learning of such omission.

- b. Any Utility Company that believes it requires additional adequate assurance must serve an Additional Assurance Request via mail or email upon:
(i) proposed co-counsel for the Debtors, (x) Willkie Farr & Gallagher LLP, 787 Seventh Avenue, New York, NY 10019, Attn: Betsy L. Feldman, Esq. (bfeldman@willkie.com) and Joseph R. Brandt, Esq. (jbrandt@willkie.com) and (y) Young Conaway Stargatt & Taylor, LLP, Rodney Square, 1000 North King Street, Wilmington, DE 19801, Attn: Allison S. Mielke, Esq. (amielke@ycst.com) and Kristin L. McElroy, Esq. (kmcclroy@ycst.com); and (ii) counsel to any official committee appointed in these Chapter 11 Cases.
- c. Any Adequate Assurance Request must (i) be made in writing; (ii) set forth all location(s) for which Utility Services are provided and the relevant account number(s); (iii) set forth the numerical amount that the Utility Company believes equals 50% of the Debtors' estimated monthly utility payments to the Utility Company subsequent to the Petition Date; and (iv) include a proposal for what would constitute adequate assurance of future payment from the Debtors, along with an explanation of (x) why such proposal is reasonable and (y) the basis of the Utility Company's proposed adequate assurance requirement under section 366(c)(2) of the Bankruptcy Code.
- d. Upon the Debtors' receipt of any Adequate Assurance Request at the addresses set forth above, the Debtors shall promptly negotiate with such Utility Company to resolve such Utility Company's Additional Adequate Assurance Request.
- e. The Debtors may, in their discretion, resolve any Adequate Assurance Request by mutual agreement with the Utility Company and without further order of the Court and may, in connection with any such agreement, in their discretion, provide a Utility Company with additional adequate assurance of future payment, including, but not limited to, cash deposits, prepayments, and/or other forms of security, without further order of this Court if the Debtors believe such additional assurance is reasonable.
- f. If the Debtors determine that the Adequate Assurance Request is not reasonable and are not able to reach an alternative resolution with the Utility Company, then the Debtors shall, upon reasonable notice, calendar the matter (the "Determination Hearing") for the next omnibus hearing date, unless this Court orders otherwise, to determine the adequacy of assurance of payment pursuant to section 366(c)(3) of the Bankruptcy Code.

- g. Until such time that the Final Order is entered by this Court, any Utility Company that does not make an Additional Assurance Request in accordance with the Adequate Assurance Procedures shall be prohibited from altering, refusing, or discontinuing Utility Services to the Debtors, subject to such Utility Company's right to seek modification of the Proposed Adequate Assurance under Bankruptcy Code section 366(c)(3), unless otherwise ordered by this Court.
- h. Pending resolution of an Adequate Assurance Request at any such Determination Hearing or otherwise, and entry of a final, non-appealable order thereon finding that the Utility Company is not adequately assured of future payment, such Utility Company shall be prohibited from discontinuing, altering, or refusing service to, or otherwise discriminate against, the Debtors on account of the commencement of these Chapter 11 Cases, any unpaid charges for prepetition services, or any objections to the Proposed Adequate Assurance. Any Utility Company that fails to comply with the Adequate Assurance Procedures shall be bound by any order entered by this Court granting the Motion.

8. To the extent that the Debtors identify additional Utility Companies not included on the Utility Service List, the Debtors will promptly (i) file a supplement to the Utility Service List adding the name of the newly identified Utility Companies, (ii) serve copies of the Motion, the Interim Order, and the Final Order, as applicable, on such Utility Companies, and (iii) increase the Adequate Assurance Deposit by an amount equal to approximately 50% of the Debtors' estimated monthly utility payments to each newly added Utility Company subsequent to the Petition Date. The newly added Utility Companies shall be subject to the terms of the Interim Order, and the Final Order, as applicable, as of the date of receipt of the notice of addition of such newly added Utility Company to the Utility Service List. The omission of any Utility Company from the Utility Service List shall not be construed as an admission, waiver, acknowledgement, or consent by the Debtors that section 366 of the Bankruptcy Code does not apply to such Utility Company. A Utility Company added to the Utility Service List shall be permitted to make an Additional Assurance Request according to the Adequate Assurance Procedures.

9. The Debtors are authorized, but not directed, to satisfy any prepetition obligations owed to the Administrators in an amount not to exceed \$40,000.00, and to honor their obligations to the Administrators postpetition in the ordinary course of business.

10. Nothing in this Interim Order (i) is intended or shall be deemed to constitute an assumption of any agreement pursuant to section 365 of the Bankruptcy Code or an admission as to the validity of any claim against the Debtors; (ii) shall impair, prejudice, waive, or otherwise affect the rights of the Debtors or their estates with respect to the validity, priority, or amount of any claim against the Debtors and their estates; or (iii) shall be construed as a promise to pay a claim.

11. Nothing herein constitutes a finding that any entity is or is not a Utility Company hereunder or under section 366 of the Bankruptcy Code, whether or not such entity is included in the Utility Service List. The Debtors reserve the right to assert that any of the entities now or hereafter included on the Utility Service List are not “utilities” within the meaning of section 366(a) of the Bankruptcy Code.

12. The Debtors are authorized to take any and all actions necessary to effectuate the relief granted herein.

13. The requirements of Bankruptcy Rule 6003(b) have been satisfied because the relief set forth in this Interim Order is necessary to avoid immediate and irreparable harm.

14. Notwithstanding any applicability of Bankruptcy Rule 6004(h), the terms and conditions of this Interim Order shall be effective and enforceable immediately upon its entry.

15. Notice of the Motion as provided therein shall be deemed good and sufficient and the requirements of Bankruptcy Rule 6004(a) and the Local Rules are satisfied by such notice.

16. This Court shall retain jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Interim Order.

The omission of any Utility Company from the Utility Service List shall not be construed as an admission, waiver, acknowledgement, or consent by the Debtors that section 366 of the Bankruptcy Code does not apply to such Utility Company. A Utility Company added to the Utility Service List shall be permitted to make an Additional Assurance Request according to the Adequate Assurance Procedures.

8. The Debtors are authorized, but not directed, to satisfy any prepetition obligations owed to the Administrators in an amount not to exceed \$40,000.00, and to honor their obligations to the Administrators postpetition in the ordinary course of business.

9. Nothing in this Final Order (i) is intended or shall be deemed to constitute an assumption of any agreement pursuant to section 365 of the Bankruptcy Code or an admission as to the validity of any claim against the Debtors; (ii) shall impair, prejudice, waive, or otherwise affect the rights of the Debtors or their estates with respect to the validity, priority, or amount of any claim against the Debtors and their estates; or (iii) shall be construed as a promise to pay a claim.

10. Nothing herein constitutes a finding that any entity is or is not a Utility Company hereunder or under section 366 of the Bankruptcy Code, whether or not such entity is included in the Utility Service List. The Debtors reserve the right to assert that any of the entities now or hereafter included on the Utility Service List are not “utilities” within the meaning of section 366(a) of the Bankruptcy Code.

11. The Debtors are authorized to take any and all actions necessary to effectuate the relief granted herein.

12. Notwithstanding any applicability of Bankruptcy Rule 6004(h), the terms and conditions of this Final Order shall be effective and enforceable immediately upon its entry.

13. Notice of the Motion as provided therein shall be deemed good and sufficient and the requirements of Bankruptcy Rule 6004(a) and the Local Rules are satisfied by such notice.

14. This Court shall retain jurisdiction with respect to all matters arising from or related to the implementation, interpretation, and enforcement of this Final Order.
